**Making the Grade - Sustainable Waste Solutions Welcomes Two More Educational Institutions**

August 15, 2012—Sustainable Waste Solutions (SWS), the only Landfill Free waste and recycling company servicing Southeastern Pennsylvania, the Lehigh Valley and Delaware is pleased to announce the addition of the Pottsgrove School District and Cedar Crest College to its list of institutional customers.

Says Randy Hendricks, President and CEO, “SWS is committed to keeping up with the latest advances in environmental science and technology for our customers. We know advances in these fields require education, research, and training, as well as a fascination with science and nature that can start as early as grade school. That’s why we’re thrilled to have our two newest education institutions as customers. Their commitment to Landfill Free, environmentally sustainable waste disposal benefits the local environment today, and the knowledge, education and inspiration they provide students benefits the entire planet for generations to come.”

Pottsgrove School District is a K-12 school district headquartered in Lower Pottsgrove Township, PA. The district serves Lower Pottsgrove Township, Upper Pottsgrove Township, and West Pottsgrove Township.

Cedar Crest College is a private liberal arts women’s college in Allentown, PA. Founded in 1867, the college is historically tied to the United Church of Christ, though it remains academically independent.

**Other SWS Educational Customers:**

Lehigh University is a private, co-educational university located in Bethlehem, PA. Established in 1865 by Asa Packer as a four-year technical school, it has grown to include studies in a wide variety of disciplines.

Muhlenberg College is a private liberal arts college located in Allentown, PA. Founded in 1848, Muhlenberg is named for Henry Melchior Muhlenberg, the patriarch of the Lutheran Church in America.

Plymouth Meeting Friends School is a private school located in Plymouth Meeting, PA. It is a co-educational school that serves students in grades PK, K-6, and is Friends in orientation.

**About Sustainable Waste Solutions:**

Sustainable Waste Solutions, LLC (SWS) provides a Landfill Free alternative for recycling, waste transportation, and disposal to companies and institutions of all sizes across a broad range of markets throughout Southeastern Pennsylvania, Lehigh Valley and Delaware. Using a state-of-the-art Energy-from-Waste resource recovery facility, waste from SWS customers generates enough electricity to power thousands of homes per day in Southeastern Pennsylvania.
